IPA'S

Ommegang Nirvana IPA (NY) - Nirvana IPA is kettle-hopped with Bravo, 6.5 ABV

Simcoe, Centennial, Topaz, and Mosaic, dry-hopped with Centennial, Citra, Simcoe and Amarillo. The flavor is hoppy, juicy and citrusy goodness – without harsh bitterness

Catskill Brewery Devils Path IPA (NY) - Named after The Catskills most 7.5 ABV
harrowing trail, our 7.5% IPA will steer you away from the well-worn path of mundane thinking, and invite you on a thorny pleasure-filled journey of free will & enlightenment.

Long Trail Limbo Double IPA (VT) - A big, mouth-watering IPA, brimming with 7.6 ABV
all the flavors and aromas of the new breed of hops coming from Australia and the Pacific Northwest.

Sloop Juice Bomb IPA (NY) - Juice bomb features all the aspects and nuances 6.5 ABV
of full hop flavor, not just bitterness — providing an upfront but easy drinking beer

AMBER

Dos Equis Ambar - Dos Equis Ambar is a classic Vienna-style lager with a full body 4.7 ABV
and a smooth finish. With its signature amber color and subtle hints of roasted malts, it's adventurous enough to be distinctly flavorful and pairs particularly well with Mexican cuisine

CIDER

Awestruck (Dry Apple + Oak) (NY) - barely-sweet, light and refreshing. It's 6.8 ABV
inspired by the dry ciders from the orchards of the east of England, where the style of cider is traditionally clear, light and almost wine-like. Just like those English ciders, our Eastern Dry is made from a secret blend of dessert apples, but grown and freshly-pressed here in the Empire State to provide a uniquely clean and sharp flavor

WHEAT OR WHITE

Allagash "White Beer" (Maine) - Our interpretation of a Belgian-style wheat beer is brewed with oats, malted wheat, and unmalted raw wheat for a hazy, "white" appearance. Spiced with our own special blend of coriander and Curaçao orange peel, White upholds the Belgian tradition of beers that are both complex and refreshing. **5.1 ABV**

Blue Moon - A Belgian White style with an unfiltered cloudy appearance, zesty orange fruit and light spicy wheat aroma. The flavor starts crisp and tangy and ends with a coriander and orange spiciness. The Valencia orange peel gives a subtle sweetness to the beer. **5.4 ABV**

STOUT

Guinness - Guinness is an Irish dry stout that originated in the brewery of Arthur Guinness at St. James's Gate brewery in the capital city of Dublin, Ireland **4.3 ABV**

PILSNERS

Catskill Brewery Ball of Lightning - A crisp luminous bolt Lager. A surge of whole-cone Saaz **5.5 ABV**

Pacifico - In 1900, three German brewers established Cervecería del Pacifico in the small Mexican port town of Mazatlán. Word of the exceptionally drinkable pilsner-style lager traveled fast. Soon, thirst for Pacifico spread from Sinaloa and up the rugged Baja coastline. **4.4 ABV**

LAGERS

Catskill "Night Shine" Black Lager (NY) - A full-flavored dark stranger for cold Catskill nights. Dehusked black malt ensures no bitter feelings. **5.5 ABV**

Coors Light - Every brew of Coors Light is made with traditional two-row lager malt which is made from our unique high country barley and four hop varieties **4.2 ABV**

Stella Artois - A touch of sweetness, a body dominated by grainy malt and mild corn flavors, and a light but noticeable residual bitterness that sets it apart from North American pale lagers **5.0 ABV**

Spaten - Classic German Premium Lager. A bottom fermented Munchner Lager with a supremely well balanced hop flavor. **5.2 ABV**

Kegeen Ales Hudson Lager - It taste like a sessionable pilsner hopped with Cascade and Centennial **4.0 ABV**

ALES

Genesee Cream Ale (NY) - Offers a nice nose and a mouth of clean, bready malt. Our tasters were willing to guess that this was an all-malt brew that finishes light and clean, with just a hint of fruitiness nodding to the use of ale yeast in this lager-styled beer **5.2 ABV**
